

## Award winning food at cost-effective prices

We are proud that the quality of our food has been recognised through the achievement of some prestigious awards, including...

Most recently Edward Zammit, our chef from Helen Court, became the South East winner in the National Association of Care Caterers 'Care Cook of the Year' competition. The competition was open to all care sector caterers and Edward took up the challenge of creating a recipe for a two-course meal, meeting various tastes and nutritional criteria.

Working with a budget of just **£1.30** Edward championed with an award winning menu of - Balantine of Chicken served with Potato Cake, followed by Chocolate Fondant with Caramel Sauce.
