

PREAMBLE

AS A LEADING OPERATOR IN CONTRACT CATERING, ELIOR GROUP IS COMMITTED TO ENSURING THAT EVERY MEAL SERVED IS GOOD FOR YOUR HEALTH, GOOD FOR THE PLANET, AND AN ENJOYABLE AND AFFORDABLE MOMENT FOR EVERYONE.

Aware of its economic, social and environmental responsibility, Elior Group places:

- ethical and honest business relationships,
- its socio-economic and environmental footprint,
- supplier support,

at the heart of its value chain and all of the Group's areas of business.

In a sustainable, circular economy, this responsible and committed approach that guides the actions of Group employees day after day covers all of our stakeholders as well.

From sourcing ingredients all the way to the plate, Elior Group guarantees its practices and processes are sustainable and virtuous for people and the environment.

The objective of the Responsible Sourcing Charter is to share Elior Group's commitments with its suppliers and to ensure their participation in this process.

Elior Group wishes suppliers to sign up to these principles and to collaborate with the Group in implementing compliance with this Charter and, if necessary, to take any appropriate corrective actions as part of a continuous improvement process.

ELIOR GROUP COMMITMENTS

CONDUCTING ETHICAL AND HONEST BUSINESS RELATIONSHIPS

ELIOR GROUP IS FULLY COMMITTED TO ETHICAL AND HONEST BUSINESS RELATIONSHIPS WITH ITS SUPPLIERS, INCLUDING:

- Conducting business in compliance with applicable business integrity and anti-corruption laws and regulations in the countries where Elior Group operates, including the French Sapin II law, the UK Bribery Act, the US Foreign Corrupt Practices Act;
- Adhering to the **United Nations Global Compact** since 2004;

- Publishing the Group's fundamental principles and commitments in terms of business integrity and anti-corruption policies, influence peddling, and breaches of competition rules on the website: https://integrity.eliorgroup.net/;
- Providing our employees and external stakeholders with a dedicated hotline for raising alerts;
- Training Elior Group employees in compliance with anti-corruption policies and procedures and competition rules;
- Selecting suppliers according to a fair and impartial procurement process, and according to predefined and documented criteria and objectives;
- Carrying out assessments prior to entering into a business relationship with suppliers according to the level of associated risks.

IMPROVING OUR SOCIO-ECONOMIC AND ENVIRONMENTAL FOOTPRINT

ELIOR GROUP HAS DEVELOPED THE POSITIVE FOODPRINT PLAN, WHICH AIMS TO IMPROVE THE SOCIO-ECONOMIC AND ENVIRONMENTAL IMPACT OF ELIOR GROUP AND, MORE SPECIFICALLY, ITS SOURCING:

- By favouring sustainable ingredients such as organic and labelled products, encouraging the sourcing of seasonal and local products;
- By working to build a sustainable value chain on packaging in the contract catering sector.
 To that end, Elior Group pursues a strategy of continuous improvement of its packaging impact through a collective approach that involves our entire internal and external ecosystem;
- By contributing significantly to reducing our carbon footprint by adapting menus that give
 preference to vegetarian meals and substituting the most carbon-intensive proteins with
 less carbon-intensive ones; reducing energy consumption and favouring green energy
 supply.

SUPPORTING SUPPLIERS

ELIOR GROUP IS COMMITTED TO DEVELOPING SUSTAINABLE RELATIONSHIPS WITH OUR SUPPLIERS—RELATIONSHIPS THAT IMPROVE THE SOCIO-ECONOMIC AND ENVIRONMENTAL IMPACT:

- By selecting suppliers who comply with Elior Group's standards, particularly in relation to health and safety, quality, human rights, and the environment;
- For suppliers whose activities, products, or services may pose a risk to Elior Group, by carrying out specific checks or audits in those areas, and by helping them to put in place plans to address the identified risks;
- By ensuring the economic reliability of relationships to avoid situations of dependency;
- By helping local suppliers to develop and become more firmly anchored in local communities while offering greater visibility and market opportunities to local producers;
- By setting up, where appropriate, a continuous improvement process with contracted suppliers aimed at improving socio-economic and environmental performance.

SUPPLIER COMMITMENTS

SUPPLIER COMMITMENTS

ELIOR GROUP ASKS ITS SUPPLIERS IN THE VALUE CHAIN TO DEVELOP ETHICAL AND SUSTAINABLE RELATIONSHIPS AND IMPROVE THE SOCIO-ECONOMIC AND ENVIRONMENTAL FOOTPRINT:

- By conducting their business in strict compliance with applicable business integrity and anti-corruption laws and regulations;
- By mobilising its company, its employees, and its stakeholders in accordance with Elior Group's ethical principles and the United Nations Global Compact;
- By developing sustainable relationships with their suppliers;
- By adopting similar programs to Elior Group to improve the socio-economic and environmental footprint;
- By sharing with Elior Group its commitments and progress.

Elior Group reserves the right to carry out audits to verify compliance with the commitments of suppliers who have signed this charter.
